"Take 10 minutes and realize your dreams!"

Hello Family and Friends,

I am incredibly excited to share that I am now working as a home-based travel agent. After much thought about how much I enjoy traveling, I have made the decision to make a career out of doing something that I love – selling travel and helping others plan their dream vacations!

I understand that many people think that it is much easier and less expensive to use do-it-yourself travel websites, but I can assure you that's simply not the case. Are you still not convinced? Take a look at this brief list of all the benefits I can bring you as your personal travel consultant:

1. **Value** – I'm able to inform you of special promotions and huge deals, so you can get the most out of your vacation dollar.
2. **Maximum choice** – I can provide you with a wide variety of travel options from a number of different travel suppliers to countless popular destinations.
3. **Convenient one-stop shopping** – Planning a vacation with me will save you time and money because with some effort and organization, I'll make sure everything is taken care of – all you have to do is pack!
4. **Customer advocate** – In the rare case that something on your trip doesn't go as planned, I'll be here to resolve the problem, so you can relax and enjoy.
5. **Expert guidance** – My wide scope of knowledge about the travel industry and extensive training allows me to book your trip efficiently.
6. **Personalized service** – If you need to contact me or want to discuss your next vacation, I'm just a quick phone call, e-mail, or short visit away and you won't have to deal with long distance phone numbers and complicated computer booking systems.
7. **Professional advice** – My job is to help you reach your desired destination in the most pleasant way possible, while keeping your budget in mind.
8. **Time savings** – I know exactly where to go to get the information that you need and can find your travel options within seconds.
9. **Trust** – As your travel agent, you can be assured that I'll do my best to make your travel experience as wonderful as possible.
10. **Unbiased information** – When you book travel through me, I work for you - not the travel supplier, so my main concern is always you and your unique needs.

I'm dedicated to offering you the best prices and advice, while maintaining an emphasis on customer service, so don't hesitate to contact me so we can start planning your next travel adventure. I specialize in **Cruise packages, All-Inclusive Resort Vacations, and Group travel**, but I can make sure all your travel needs are fulfilled. I look forward to hearing from you!

Sincerely,

Marty Amrine
